'Building a shared future for all life'

Dear all,

The International Biodiversity Day Celebrations on 22 May 2022 remind us that the existence of life depends upon biodiversity. The objective of Biodiversity Day is to create awareness among the public regarding the conservation of biodiversity and sustainable utilisation of bioresources. This year, the Biodiversity celebrations are being held at Govt. L P School, Pangode, Thiruvananthapuram. The programmes include inauguration of a School biodiversity park construction, distribution of medicinal plants and handing over the guidelines for biodiversity club formation. An awareness seminar on **'Building a Shared Future for All Life'**, which is declared as this year's theme of Biodiversity Day by the UN, also will be conducted. All are cordially invited to the programme.

IB Day Exhibition 2022, Chennai

IB Day Exhibition 2022, Chennai . Report from participated KSBB Officials

National Biodiversity Authority (NBA) at Chennai celebrated International Biodiversity Day with a National level conference and exhibition held at '**Kalaivanar Arangam**' near Triplicane in Chennai on May 22, 2022. Kerala State Biodiversity Board Chairman Dr. C. George Thomas attended the event. The KSBB participated in the exhibition with published books, brochures and panels depicting unique biodiversity of Kerala and activities of the board.

As per the invitation of the NBA, tribal BMC members from Athirappally and Marayoor grama panchayaths, having biodiversity conservation projects funded by UNDP, also participated in the event. They handed over us the value added products made from bio resources from their panchayats and all these were displayed in KSBB stall.

Dr. Pradeep CG senior research officer and assistant librarian Vinod Sen of KSBB set up the exhibition stall. Exhibition started at 9.00 am and concluded by 5.30 pm day on 22nd May 2022. Almost all state biodiversity boards in the country took part in the exhibition. Other central and state institutes working in the field of environment and biodiversity also participated in the event.

The union minister for Environment, Forest and Climate Change Sri. Bhupender Yadav inaugurated the exhibition. The union minister for Environment, Forest and Climate Change Sri. Bhupender Yadav, the union minister of state for Environment, Forest and Climate Change Sri. Ashwini Kumar Choubey, Sri. Meyyanathan, Tamilnadu state minister for Environment, Dr. V.B Mathur, Chairman, NBA; Sri. Justin Mohan IFS, Secretary, NBA & dignitaries from various states also visited the KSBB stall.

KSBB Head Office Thiruvananthapuram

Deputy Mayor of Thiruvananthapuram Corporation PK Raju inaugurated the construction of a biodiversity park with fruit trees and medicinal plants at the premises of Government LP school Pangode. Medicinal plants from Medicinal Plant board were procured and distributed to students. A biodiversity club is also allotted to the school for maintenance of the park and to carry out activities related to conservation. Planning Board Vice Chairman VK Ramachandran, School Headmistress L Shailaja, Corporation Health Officer Dr. Gopakumar, Medicinal Plant Board member Dr. P Sajeew participated in the function. Board members K V Govindan, Dr. Satheeshkumar, Dr. K Chandramohan conducted short lectures for the students on the urgency in need for biodiversity conservation. Member Secretary of the board Dr. Santoshkumar AV presided over the function. Administrative officer Mini V, all the KSBB staff members of KSBB and about 60 students attended the programme at the school.

THIRUVANANTHAPURAM

1. ARYANADU BMC

Aryanadu BMC in association with the biodiversity club of Dale View College of Pharmacy conducted Biodiversity Seminar on 20/05/2022 as part of Biodiversity Day celebration. Official inauguration of the program was done by BMC president Mr. Viju Mohan at the Panchayath hall at 11 AM. Kerala State Biodiversity Board Chairman Dr. C. George Thomas made a presentation on 'Building a shared future for all life'. BMC Members, KSBB District coordinator, Panchayath members, Dale View College Biodiversity Club members, students and teachers and local people attended the program. There were also poster presentations done by the Biodiversity club members. Dr. Seena, Vice Principal of Dale View College offered Vote of Thanks.

2. PERUMKADAVILA BMC

Perumakadavila BMC observed Biodiversity Day in a meaningful way by conducting several programs on May 21/2022 at the Panchayath conference hall. At 9.30 AM, the biodiversity day programs were officially inaugurated by Mr. S. Surendran, BMC president of Perumkadavila Panchayath. The events also included Biodiversity conservation awareness classes by Agriculture officer Mrs. Mary Latha and ICDS Supervisor Mrs. Anju R.P.; drawing and quiz competitions for school children, preparation and distribution of Biodiversity pamphlets and massive signature campaign for Biodiversity conservation. The program received wide publicity and participation. The participants comprised of BMC members, Panchayath members, local residents, 160 students, representatives of NGOs, government officials, MGNREGS members etc. During valedictory session, prize distribution for the winners of various competitions was held.

3. NANNIYODE BMC

The biodiversity day observation of Nanniyode BMC was held at 10.00 on 21/05/2022 AM at the Panchayath conference hall. The BMC president Mrs. Shylaja Rajeevan inaugurated the program. An awareness class on ‘Invasive plants and its impacts on Biodiversity’ was offered by Mr. Anooj S.L, the BMC Convenor. The speaker, who is also a plant researcher, could inspire listeners about the importance of biodiversity conservation. Noted plant scientist and member of BMC, Dr. Abdul Ayoob offered biodiversity day message.

During the occasion, the BMC president inaugurated a year long campaign titled, ‘My Tree’ program by planting endemic Moottimaram sapling (*Baccourecourtallensis*, Family: Phyllanthaceae). The idea behind ‘My Tree program’ was planting, monitoring and management of endemic fruit trees in suitable government lands within the boundary of the Panchayath. BMC members, Panchayath members, locals, students, representatives of NGOs, government officials and MGNREGS members attended the programs. BMC member offered vote of Thanks

4. PAZHAYAKUNNUMMEL BMC

Pazhayakunnummel BMC launched a month-long Biodiversity conservation and awareness programs from April 22 (Earth Day) to May 22 (Biodiversity Day). Planting of fruit trees and medicinal plants at the public spaces and biodiversity awareness program were the main events. BMC is taking responsibility of the monitoring and management of the already planted saplings. The programs started on April 22 with the planting of fruit trees near Panchayath office by BMC Convenor Mr. Abdul Hakkim.

As part of the month-long biodiversity programs, on 13 May 2022, the BMC organized a half-day seminar on Biodiversity. The program was inaugurated by the Vice President of Pazhayakunnummel Panchayath. The District Coordinator of Kerala State Biodiversity Board Dr. Akhila S. Nair offered presentation on 'Role of BMCs in Biodiversity Conservation'. BMC members, Panchayath members, locals, students, representatives of NGOs, government officials and MGNREGS members attended the programs. Followed by the session, there was a very active interactive session conducted. BMC members and other stakeholders clarified their doubts and made suggestions for the BMC activities. The BMC convenor offered vote of thanks.

5. VELLANADU BLOCK BMC

Block Panchayath BMC President Smt. Indulekha S. inaugurated the Biodiversity day programs of Vellanadu BMC on 21/05/2022 at Vellanadu Block Panchayath. The programs started with the unveiling of BMC name board by the BMC President along with BMC members. Following this, the BMC has started a river bank restoration program of Karamanariver, by planting reeds and bamboos along both banks of the river near Aryanadu Police station. During the inaugural speech, the BMC president pointed out that the river bank restoration program was just a beginning of an array of meaningful biodiversity conservation efforts to be brought into effect by Vellanadu Block BMC. BMC members, block panchayath members, locals, students, representatives of NGOs, government officials, MGNREGS members, Janamaithri police officers, Kudumbasree representatives etc. attended the programs. The program was appreciated with the active participation and involvement of BMC.

6. CHIRAYINKEEZHU BMC

BMC president Mr. P. Murali officially inaugurated the Pazhanchira pond restoration program at Chirayinkeezhu Panchayath as part of International Biodiversity Day on 22/05/2022. The president has inaugurated the planting of bamboo and reeds saplings on the banks of the pond as part of the program. Notably, the event comes as a meaningful sequel to the biodiversity study of the pond recently conducted by Kerala State Biodiversity Board in association with the BMC. The study could find that the pond area was rich with biodiversity and natural resources that needed a scientific management. As an outcome, the BMC was resolved towards the restoration program. BMC members, MGNREGS members, LSG officials, ward members, students and local people participated in the program. The program got wide publicity through media coverage.

7. PARASSALA BMC

Parassala BMC organized a 'Biodiversity week', a week-long biodiversity activities and programs as part of Biodiversity Day. On 23/05/2022, the BMC started the Karali River restoration project. The project was officially inaugurated by Parassala Block BMC president Adv. S.K. Ben Darwin. 'JalaNadatham', as part of the, The lineerozhukum Navakeralam, was also conducted as part of the programme. The JalaNadatham covered Karali River banks through Chirakkulam-Thottippalam-Ilankam areas. BMC members, block panchayath representatives, panchayath members, locals, students, representatives of NGOs, government officials, MGNREGS members, Kudumbasree representatives etc. attended the programs. BMC president Mrs. Manju Smitha presided over the function. BMC secretary offered vote of thanks.

8. ANDOORKKONAM BMC

Andoorkkonam BMC President Mr. S. Hairkumar planted 'Mankosteen tree' (*Garcinia mangostana*) sapling on 22 / 05 / 2022 near the Panchayath office as part of International Biodiversity Day. World famous writer from Kerala, Vaikkom Muhammed Basheer loved Mankosteen tree very much creating many of his literary works under the shade of the tree within the writer's house compound. The BMC selected this tree in memory of the great author and as their candid tribute to his literary works. BMC wholeheartedly took the responsibility of monitoring and management of the tree. BMC members, panchayath members, locals, students, representatives of NGOs, government officials, MGNREGS members, Kudumbasree representatives etc. attended the programs.

9. AMBOORI BMC

On 23/05/2022, Amboori BMC organized a fruit tree planting drive as part of International Biodiversity Day celebration. The program was officially inaugurated by BMC President Mrs. Valsala Raju by planting a fruit tree sapling. BMC members, LSG officials and members and 13th working group members participated in the program.

10. PERINGAMMALA BMC

Peringammala BMC conducted Biodiversity Seminar as part of International Biodiversity Day observation on 26/05/2022. BMC President Mr. Shinu inaugurated the seminar at 10.30 AM at Panchayath conference hall. Vice President Ms. B. Vasanthapresided over the function. The BMC convenor Miss. Abhirami R. presented a paper on 'Biodiversity and Sustainable development'. BMC members, panchayath members, locals, students, representatives of NGOs, government officials, MGNREGS members, Kudumbasree representatives etc. attended the programs. The program got wide media coverage also.

KOLLAM

International Biodiversity day celebration 2022

International Biodiversity day celebration on 22nd May 2022, district level programme was conducted by Biodiversity Management Committee of Chithara grama panchayat, Kollam district. The programme was conducted at Chithara, Kannancode, Appuppankunnu. The programme schedule includes Butterfly watching and awareness class lead by Sri. C. Sushanth, Butterfly researcher and environmentalist. The programme was started at 8.30 am. Because of heavy rain and fog, the butterfly watching was ended at 9.30 pm. From these observation, the camp members observed 22 different varieties of butterflies. In India, 'Garuda salabha' possess 2nd place on the basis of size. Garuda salabha' s presence was observed in Appuppankunnu. In addition to this the endemic and endangered species 'Kanana rose' was also observed. The following butterflies were observed in Appuppankunnu.

1. Chempulli rani
2. Kanikonna Salabham
3. Vilasini
4. Neermatala salabham
5. Pullipottan
6. Irulan pottuvalatti
7. Thavittu salabham
8. Arali salabham
9. Neelakkaduva
10. Thelineelakkaduva
11. Neechidakan
12. Ponthachutti
13. Iruvarayan ponthachutti
14. Cheriyyayuda salabham
15. Thavidan
16. Kariyila salabham
17. Garuda salabham
18. Kanana rose
19. Neelakkadukka
20. Krishna salabham
21. Narakakkali
22. Pullipappathi

Nature camp was inaugurated by Chithara grama panchayat president Sri. M. S. Murali. The programme was preside by R. M. Rejitha, Vice President, Chithara grama panchayat and welcome address by Sri. P. Prijith, BMC Convener, Chithara grama panchayat. Dr. Manju Baby I, District Coordinator, Kollam, Kerala State Biodiversity Board delivered a talk regarding Biodiversity. Awareness class, 'Prakrithiyile Vismayangal' was handled by Sri. C. Sushanth, Butterfly researcher and environmentalist. In this nature camp, 50 members were participated. The programme was ended by 1.30 pm.

POOTHAKKULAM GRAMAPANCHAYAT

Poothakkulam grama panchayat was celebrated the International Biodiversity Day under the coordination of Biodiversity Management Committee by planting fruit crop saplings at Kalaykkode, Paravila colony. The programme was inaugurated by Smt. Ammini Amma, President, Poothakkulam grama panchayat and Smt. V. G. Jaya preside the function.

MELILA GRAMAPANCHAYAT

Melila grama panchayat was celebrated the International Biodiversity Day by planting fruit crop saplings at nearby Anganawadi.

KOLLAM MUNICIPAL CORPORATION

Kollam Muncipal Corporation was celebrated the International Biodiversity Day under the coordination of Biodiversity Management Committee by planting fruit crop saplings and medicinal plants at in front of Gandhi park, Kollam. The programme was inaugurated by Hon. Mayor, Smt. Prasanna Earnest and Hon. Deputy Mayor Sr. Kollam Madhu preside the function.

S. N. WOMAN'S COLLEGE, KOLLAM

N.S. S. COLLEGE, NILAMEL, KOLLAM

Department of Botany, NSS College, Nilamel in association with Biodiversity club organized International Day For Biological Diversity on 20/05/2022, Friday at 11.00 am . In connection with this they revived their Botanical Garden and Medicinal Garden. The programme was inaugurated by Principal Dr. Beena.S by planting a sapling in the garden. The students and teachers also planted saplings.

MOUNT TABOR HIGHER SECONDARY SCHOOL, PATHANAPURAM, KOLLAM

Mount Tabor Higher Secondary school in association with Biodiversity club celebrated the International Biodiversity Day by the renovation of vegetable garden. The programme was coordinated by Sri. K. S. Sarath, Biodiversity club coordinator.

PATHANAMTHITTA

International Biodiversity Day Celebration 2022

The district-level International Biodiversity Day Celebration was conducted as a one-day nature study workshop named “Pachakkilikooottam” at Pathanamthitta District by Kerala State Biodiversity Board Pathanamthitta District and Enadimangalam Grama Panchayath on 22nd May 2022. The program was conducted at Govt. LPS Elamannoor was coordinated by Enadimangalam Grama Panchayath BMC and the Kudumbashree.

The celebration and workshop were inaugurated by Mr. Rajagopalan Nair, Grama Panchayat President, Enadimangalam, and Smt. Udayarashmi Anilkumar, vice President, Enadimangalam presided over the function. Kerala State Biodiversity Board Pathanamthitta District Coordinator Arun C Rajan delivered the message on International Biodiversity Day. Ward Member Shri. Satheesh Kumar and Shri. Rajeev, the Schoolteacher did the felicitation speeches. Dr. Abhilasah R, BMC Convener, Enadimangalam did the welcome, and CDS Chairperson Smt. Sheila Kumari expressed gratitude. There are 40 students and 20 parents who participated in the program. The program was started at 10.00 am and bound up by 4.00 pm

1. PLANTING MEDICINAL PLANT SEEDLINGS

The Enadimangalam Grama Panchayath is planning to plant medicinal plants in all schools in Grama Panchayath. The program was inaugurated by President Shri. Rajagopalan Nair at Govt. LPS Elamannoor.

2. INTRODUCTION AND MAKING OF CRAFTS WITH COCONUT AND ARECA NUT PLANT MATERIALS

Smt. Rukminiyamma, the Anganavadi teacher and Smt. Amminiyamma introduced the crafts used by our previous generations in the agricultural field and daily life. A number of products are made out of Coconut tree parts and Arecanut tree parts were exhibited and explained the making. The items such as, “thoppipala, koombpala, thottippala, visari, uppupala, thekkuppla, thirika, uri, olapeppi, olathatha, etc. were explained. The pupils learned the making of crafts with Coconut leaves, Arecanut leaves sheath, Areca leaves etc, with the guidance of Smt. Rukminiyamma teacher, Smt. Amminiyamma, Sri. Anil Kumar, and Sri. Rajeevan sir. The pupils actively participated in making these crafts and learned their making.

3. INTRODUCING MEDICINAL PLANTS

Dr. Abhilash R, (the BMC convener Enadimangalam and the Assistant professor and Research Guide) and Ms. Anagha S (Assistant Program Coordinator, KSBB, Pathanamthitta) were introduced various medicinal plants and their uses to the pupils and their parents. This was done with live plant materials and with power point presentation.

4. FOLK SONGS

The folk song will explain the life of our agricultural and cultural traditions, as part of the program 6 folk songs were sung by the pupils and teachers.

5. BIODIVERSITY QUIZ

A biodiversity quiz was conducted as part of the program. The questions are about nature and the ecosystem. The program was led by Dr. Abhilash R. and the prizes were given instantly; these prizes are developed from waste materials.

5.Kozhikode Jilla Panchayat- ‘Jaiva Vaividhya Gramasabha’

Towards the International Biodiversity day celebration, the Kozhikode Jilla Panchayat BMC in association with Kerala State Biodiversity Board and Malabar Botanical Garden and Institute of Plant Sciences (MBGIPS) convened an elaborated event as Jaiva Vaividhya Gramasabha on 30th May at Malabar Botanical Garden seminar hall. A prior intimation was given to all the 70 panchayats in Kozhikode so that 2 members (BMC convenor and another member) from every BMC need to participate in the Gramasabha. Also a 10min ppt presentation can be done by the BMC convenors about any biodiversity conservation project to be implemented in their own panchayat. An expert panel will be set up to screen the presentations and the top 3 selected projects from 3 different panchayat will be benefitted in such a way that the Jilla panchayat will sponsor the funding to implement those projects. The program registration was started by 9.30am, and around 100 participants were represented from panchayats which included even panchayat Presidents, secretaries, Asst. secretaries apart from BMC convenors and members. The inauguration was happened at 10.30am by the Jilla Panchayat President Smt. Sheeja Sasi, under the presidentship of the Jilla Panchayat standing committee chairperson Adv. Gavas. The welcome note was given by the the Jilla Panchayat secretary T. Ahmed Kabeer followed by the policy announcement address by the KSBB, Kozhikode District co-ordinator Smt. Manju. Later on two subject presentation was done. A very interesting lecture on the topic ‘Biodiversity and its conservation’ was given by Dr. K. Kishore Kumar, HoD of Botany, Farooke College, Kozhikode (He was the forestry researcher from KFRI, Peechi, MNHS’ education Officer as well as a TSG member of KSBB). Second lecture was on ‘Cleaniness and management, for Biodiversity conservation’ performed by Babu Parambath, Director of Niravu.

Around 22 projects were presented from different panchayats and some of them are highly interested. Top 3 presentations will be declared soon by the Jilla Panchayat to associate. The programme was compiled by the eminent scientist from CWRDM, Kozhikode Dr. Abdul Hameed and the member Manalil Mohanan. The Vote of Thanks was delivered by Mithun Venugopal, research scholar in MBGIPS. The Jaiva Vaividhya grama sabha was ended by 2.30pm.
